FEDERAL COMMUNICATIONS COMMISSION  
OFFICE OF THE SECRETARY

Ms. Donna R. Searcy  
Secretary  
Federal Communications Commission  
1919 M Street N.W.  
Washington, DC 20554

Dear Ms. Searcy:

Please delay the effective date of the Commission's rate regulations. My reasons for this are:

We are a small CATV facility that serves 980 subscribers in 6 separate systems, the largest of which is 286 subscribers.

We have not yet received the necessary worksheets or the instructions for calculating the benchmarks and equipment basket.

Our small "Mom and Pop" business can not afford to hire a professional firm for this service. We will struggle with this in-house but the information we have been collecting from our trade papers is inconsistent, sketchy and we are unsure about any or all of the provisions that apply to small systems.

Thank you for your consideration.

Sincerely,
